Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms (PTO-2038 submitted for payment purposes) are not retained in the application file and therefore are not publicly available.

(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

Applicant's Counsel states that the abandonment of this application was unavoidable due to the non-receipt of the Notice of Allowance dated 06/28/2005.

Prior to the filing of this application, Counsel relocated and updated his customer number to reflect his new address.

Applicant's oath or declaration listed Counsel's customer number as the correspondence address.

Counsel notes that his address was updated in 2003.

Counsel searched the image file wrapper available on private PAIR and found that on 11/04/2004, 01/25/2005, 07/11/2005 3 Notices of Allowances were returned to the Patent Office as undeliverable. Additionally, the Notice of Abandonment that the Patent Office attempted to deliver was also returned as undeliverable on 06/12/2006.

Counsel states that the return of the Notices of Allowance and Abandonment Notice to the Patent Office as undeliverable is proof that the Notice of Allowance was not received.

Counsel respectfully requests that should the abandonment of this application was unavoidable that the Patent Office issue a refund of the petition fees.

(Please attach additional sheets if additional space is needed.)
